"As a family we share a love of art, books, travel to state festivals and good food. Louisiana is abundant in all four so we never lack variety on our rambling weekends."

That's what I'm talking about

Henry's Cabbage Salad

Ingredients:

4 cups cole slaw mix

4 green onions stem and all, sliced

1/2 cup slivered toasted almonds

2 Tbsp toasted sesame seeds or pine nuts

1 (3oz) pkg Ramen Oriental Noodle Soup

Dressing:

2 Tbsp sugar

1/4 tsp salt

1/3 cup vegetable oil

3 Tbsp vinegar

1/2 tsp pepper

1 envelope Ramen Noodle Soup seasoning

Directions:

Combine the dressing ingredients in a jar and shake well. Chill the dressing.

Crumble noodles by hand while still in package. Mix cabbage, onions and the ramen noodles. Pour dressing over the mixture. Just before serving, add almonds, seeds or nuts to top the salad.

This is a real good side with crawfish cakes, barbecued chicken or fish! Most folks take a look at the ingredients and think "big deal" doesn't seem to be exceptional. But trust me, just follow the directions and you will have something new with which to delight your guests!
